

# The Bigger Picture

Lyrics by Annakin

Hey Mister why do you take your hat off to hundreds  
And then you tear their lives apart  
Hey Mister are you so devoted to madness  
Because of your own feeble heart

You need to look at the bigger picture AH-A  
Take a look at the bigger picture AH-A  
You've got to look at the bigger picture AH-A  
For what it's worth AH-A

Hey Mister excuse me this is like trying to get blood from a stone  
But I know you can't resist you cannot resist  
Come on Mister it's not because of this faithless moment  
That you can't do better than this

Don't let anyone know  
We're going downhill where we can't stop  
You have to look at the bigger picture . . .  
Don't let anyone know
