

ANNAKIN'S NEW RADIOSINGLE « THE LOVE, THE LOVE » out June 25, 2021

FROM THE FORTHCOMING ALBUM OUT AUGUST 27, 2021

In her beautiful new single „The Love, the Love“ Annakin sings about a time that turns out to be a dividing force - „ a scar that tears the skin apart“ and about how this force in her eyes strangely deforms her hometown „like a song that got caught by the wind“. She tells us how everything can be mended again with love because of its healing and ever reconnecting power.

These strong lyrics are accordingly reflected in the music; the playfully light piano is blackened with the beat of the rhythm wolf and the reverse sounds. The filmic string arrangement and Annakin's breathtaking voice take the listener on a dreamy journey through the unfurling panorama of the Swiss artist's musical universe.

It isn't a return to known land but a leap ahead with Ed Harcourt as her new producer. In an orange grove in Spain, they have created her second single and the new album which will be released at the end of August.
