

Beautiful Illusions

by Annakin

112 bpm

All of these illusions
Are bubbles bound to burst
I keep them coming
For better or for worse
The truth the truth is
We are easily seduced
There's no more pain to be soothed

When you fall for an illusion
When you fall for it

My heart is full of
Different kinds of lights
Most of them are burning
Are burning really bright
And those that aren't
Ready yet to shine
Keep a small flame to guard the night

When you fall for an illusion
When you fall for it

I am sorry
I didn't mean to hurt you
I am sorry

Once again I am killing
The fire in the sky
We're helpless or unwilling
But we will always try
To live in peace now
Remain unaffected
You welcome back the unexpected
